Organization Save Ala Moana Beach Park Hui  
Do you wish to speak at the hearing? Yes

I provided testimony earlier regarding the benefit to the community to have a Canoe halau constructed at Haleiwa Beach Park Mauka. I strongly encourage this be done having read that funding was already authorized by the Council several years ago, and a feasibility study had already been done.

Written Testimony Please listen to the many people who use this park and urge the City Administration to release the funds so construction of the halau may begin.

Do not put this off to the next administration.
